

WISE Newfoundland and Labrador
Women in Science and Engineering

2010 Speaker Series

From a train car to global health initiatives:

An Interview with Dr. Elizabeth Hillman,
O.C., M.D., L.L.D., F.R.S.C.

**S.J. Carew Bldg., Engineering, Memorial University
Wednesday April 14, 2010, 7:00 pm, Room EN4000**

Join us for an interesting evening!

Dr. Hillman will share her life experiences and in particular her important collaborative work in advancing the health of women and children in numerous countries in the developing world.

Refreshments to follow.
All are welcome.

Women in Science and Engineering Newfoundland and Labrador (WISE NL) is a non-profit, volunteer organization which aims to increase the participation of women in science, technology, engineering and mathematics careers by increasing awareness that these professions are rewarding and exciting options for women. WISE also provides mentoring, professional developing and networking opportunities to facilitate the success of women in these fields, and are advocates for equitable workplaces.
